

# JALEMA CLIP®

## BINDING CLIP

### Secolor Clip File & Combi Files

These files are available in 6 bright colours. The Secolor file has a pocket to store loose papers.

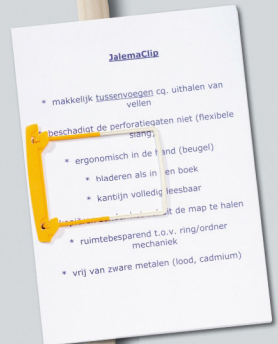

See page 258 of the 2012 catalogue for full product details.

### JALEMA CLIP

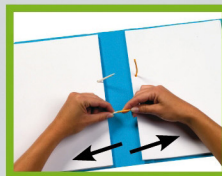

PERFECT IMPROVEMENT OF THE TRANSFERFILE!

- Binds loose papers securely.
- Can be used in files or loose (also to empty lever arch files).
- Content can be leafed through like a book.
- Documents can be inserted and removed in a matter of seconds.
- Won't tear perforation holes, thanks to the flexibility of the tube.
- Copies are easily made without taking the page out of the file.
- Filing capacity: 50 mm.
